

**2006/2007 through 2013/2014 Capital Outlay Projects  
California State University**

<b>Campus:</b>	Stanislaus
<b>Project Name:</b>	Science I Renovation, Seismic
<b>Project Description:</b>	This project will seismically retrofit and renovate the Science I building (#9) upon occupancy of the new Science II facility. The Science II facility was constructed to enable this facility to be vacated during the seismic retrofit. The existing building is rated a DGS level 5 due to structural deficiencies in the perimeter precast wall system connections to the moment frame construction of the structure. The 30,500 ASF/51,000 GSF renovation will add capacity of 422 FTE (532 FTE in lecture space, -63 FTE in LD laboratory space, and -47 FTE in UD laboratory space) and 34 faculty offices. The project will result in a building total of 997 FTE (979 FTE in lecture space, 12 FTE in LD laboratory space, and 6 FTE in UD laboratory space) and 60 faculty offices to accommodate growth in the Nursing program, Agricultural Studies, Anthropology, and Geography.
<b>Project Start Date :</b>	Jul-07
<b>Project Completion Date:</b>	Apr-13
<b>FTES:</b>	422
<b>Project Status:</b>	Closed
<b>Bond Funding:</b>	\$1049000
<b>Bond Authorization:</b>	6610-301-6048-07-07
<b>Congressional District:</b>	R-19
<b>Senate District:</b>	R-12
<b>Assembly District:</b>	R-26
